

# Avoid the risk of Corona Virus and still attend training courses at the same time.

*Haward Technology* is proud to release its new **interactive, convenient** and **effective** way of delivering our internationally accredited courses through Live Webinars:

**75% Discount**  
from our Classroom-Based  
Course Fees

## WEBINARS

For more enquiries, please contact us @  
Tel: +971 2 309 1714 | Fax: +971 2 309 1716  
Website: [www.haward.org](http://www.haward.org) | E-mail: [info@haward.org](mailto:info@haward.org)

## What is a Webinar?

With the use of your preferred device, continue learning by participating in our web-based seminars **in a click**. Interact with our instructors during the live, virtual presentation and be engaged with question and answers either by audio or thru the chat box.

## Easy Registration!

Register online by providing us your email address and Haward will send you the link on how to join the session.

## BENEFITS OF WEBINAR
